These forays are run by and for the members of the Herefordshire Fungus Survey Group (HFSG). The group is self-financing; a membership fee is levied to cover our postage costs and stationery involved in running the group together with the costs of printing and publishing the newsletters.

If you are not an HFSG member and would like to come on a foray with us, please contact the Secretary, Sharon Hart, at least 3 days in advance - contact details on the front page of this programme.

Our Public Liability Insurance is covered through the British Mycological Society.

Access to private sites is limited to the Group only and other sites can be too small to take large numbers and their cars.

Dog Owners: Please note that:

- **HFSG Public Liability Insurance does NOT cover any damage or actions caused by pets: it is the sole responsibility of the owner to have appropriate insurance for this type of situation;**
- **In this Foray programme there are instructions for each site.**
- **Where stock is present, please always keep dogs on a lead. Also, please clear up any mess on paths & tracks.**

Some site owners (eg Forestry Commission) specifically prohibit smoking and fires, but it is good practice to apply this to all – especially in woods.

Please wear suitable footwear to all sites and be prepared for all weathers. Some sites are quite steep, and slippery in bad weather, so please take care at all times.

Unless otherwise stated, forays are normally from 10.30am – 12.03 pm. Details of these are published nearer the foray dates.

The Secretary's mobile no. is 07900 656469. Please bear in mind that foray locations often have poor reception.
